[Washington State Legislature Website](http://www.wa-acte.org)

This week's update:

This week the legislature continues to work on bills passed to them from the opposite chamber during the first half of session. The timeline for bills to move through the legislature looks as follows:

- Policy Committee Cutoff: April 3, 2019
- Appropriations Committee Cutoff: April 9, 2019
- Last day to pass bills off the House/Senate Floor: April 17, 2019

This week we saw the new state revenue numbers and forecast. As expected, revenue was much higher than planned for in the 2017-2019 biennium, and much higher than scheduled for the 2019-2021 budget. The [March 20](#) revenue report shows an increase of \$307 Million in current biennium revenue and a projected increase of \$554 Million to the 2019-2021 biennium.

When legislators passed the 2017-2019 biennium budget, revenue projections for the budget were [\\$41.7 Billion](#). Since that time, actual revenue collections have climbed \$4.4 Billion to a total of [\\$46.1 Billion](#).

The state is now projected to have more than [\\$3.2 billion in total reserves](#) at the end of the current biennium which ends on June 30, 2019.

The coming 2019-2021 budget is projected to be above \$51 Billion, representing a 25% increase in state spending and revenue over the last two years.

When comparing that to the 2015-2017 biennium budget of \$37 Billion, state revenues and expenditures have increased 34% over the last 4 years.

Key bills that connect to the three focus areas of our [WA-ACTE Legislative Strategic Plan](#):

- **FOCUS: CTE RESOURCES (Funding):**
 - *We continue to work on in the House and Senate to try and make something happen if we can; having failed on our first attempt to find a vehicle to amend with our CTE Resources language we continue to work on that method as well as lay the groundwork to possibly include something in the final budget bill. [Link to proposed language](#) we are seeking to achieve.*
- **FOCUS: THE VALUE OF CTE:**
 - [E2SSB 5327](#) - Creates a multi-agency work group to coordinate Career Connected Learning (CCL) opportunities, collect data, provide recommendations, and perform other duties. Scheduled for executive session on March 26 in the House Committee on College & Workforce Development at 1:30 p.m.
- **FOCUS: SUPPORT CTE STUDENT LEADERSHIP:**
 - [E2SHB 1660](#) - Scheduled for public hearing on March 25 in the Senate Committee on Early Learning & K-12 Education at 1:30 p.m.

Taking Action:

Take time to participate in Legislator Town Hall Meetings. The League of Women Voters has [compiled a great resource list](#) for knowing when and where Legislator Town Hall Meetings will be taking place in the coming weeks.

TVW's legislative archives and weekly programs. If you haven't noticed, TVW is a great resource for watching legislative action live or recorded.

- [Archives](#) - here you can view past hearings of interest, just select the date and event you would like to view.
- [Legislative Review](#) - daily & weekly updates
- [The Impact](#) - Wednesday evenings
- [Inside Olympia](#) - Thursday evenings

Hopefully you are engaged in actions to support our CTE advocacy efforts, so here are some actions you may consider taking. *Always remember to advocate on your own time and only using your personal email. Never use work resources to be assured that you do not violate PDC laws as a public employee.*

- Review the week ahead committee meeting schedule, focusing on bills still alive in the process that have been scheduled for public hearing, then contact your legislators asking them to support our two CTE bills – especially if they serve on one of the committees where the bill has been assigned.
- Reach out with your perspective on the bill and share your story, consider coming to Olympia to meet with your member, and testify on a bill important to you.
- Share CTE program data from your school/district, stories, and suggestions to improve the proposed policy from your prospective is important to legislators. *You are the expert for your program and the needs of your students so don't be anxious to share your story.*
- Follow-up with legislators/committees on a specific bill or issue.
- Provide input on bills not yet scheduled for hearings that are an issue or area of interest or concern to you.
