

WOVE Legislative Update for Career and Technical Education

2019 Legislative Session | April 8, 2019

WOVE...Representing the Career and Technical Education field through advocacy activities, which promotes the value of CTE and the policies that are needed to support CTE practitioners, advance the field, and improve student learning. To subscribe to the *WOVE Legislative Update* or to view past issues, please [click here](#).

ACTE LEGISLATIVE ALERT

[Click here](#) to ask your Senators to sign on to a letter urging the Senate Appropriations Committee to prioritize a robust investment in Perkins Basic State Grants in FY 2020. **Deadline Wednesday, April 10.**

This week's update:

Today marks day 85 of the 105-day legislative session. With three weeks to go, now is the time in the process where priorities and end-game positions are coming into focus as much as can be determined until the final passage of the budget. Will they end on time? That is to be seen, but with one party "in-charge" of both chambers and the Governor's Office, one might think they can make it happen. But, as you look at the budget proposals from the Senate and the House, this is shaping up to be a "fight" between the two chambers - stay tuned!

WA-ACTE Legislative Strategic Plan three focus areas:

FOCUS: CTE RESOURCES (Funding):

- Our work in trying to place our CTE Resources language in policy has run out of steam this session. While it is disappointing, as a measurement of success for this session we have begun to establish an interim plan of action to continue our work on this and other items for CTE next session. We believe the resources language can be considered a "technical fix" during next year's short session. [Proposed Language for CTE Resources](#)
- There is plenty to unpack with the differences between proposed budgets that will serve as starting points for the Conference Committee's negotiations. Here are a few resources to assist in your understanding of the differences:
 - League of Education Voters has a high-level side-by-side comparative narrative on key K-12 policy issues that also includes reference to the Governor's proposed budget from December. [2019-2021 Budget Proposal Side-By-Side \(PDF\)](#)
 - [Side-by-side operating budget comparison](#) of the House and Senate budget proposals as passed off their Floors—key new funding related to WSSDA's legislative priorities is highlighted.
 - [OSPI's 2019 Budget Preparations web page](#) provides links to estimated impacts of the proposed budgets on school districts overall and is updated on a regular basis.

FOCUS: THE VALUE OF CTE:

- [E2SHB 1599](#) - Promoting career and college readiness through modified high school graduation requirements. - Senate Ways & Means Hearing Rm 4, 04/08/2019@1:30 p.m.
- [2SHB 1304](#) - Concerning career and technical education in alternative learning experience programs. - Senate Ways & Means Hearing Rm 4, 04/09/2019@10:00 a.m.

FOCUS: SUPPORT CTE STUDENT LEADERSHIP:

- [E2SHB 1660](#) - Concerning the participation of students who are low income in extracurricular activities. - The bill could still be passed out of Appropriations committee at any time, but not currently on the calendar.

Keeping up on and taking action reminders:

TVW's legislative archives and weekly programs. If you haven't noticed, TVW is a great resource for watching legislative action live or recorded.

- [Archives](#) - here you can view past hearings of interest, just select the date and event you'd like to view.
- [Legislative Review](#) - daily & weekly updates
- [The Impact](#) - Wednesday evenings
- [Inside Olympia](#) - Thursday evenings

Always remember to advocate on your own time and only using your personal email. Never use work resources to be assured that you do not violate PDC laws as a public employee.

- Review the week ahead committee meeting schedule, focusing on bills still alive in the process that have been scheduled for public hearing, then contact your legislators asking them to support our two CTE bills - especially if they serve on one of the committees where the bill has been assigned.
- Reach out with your perspective on the bill and share your story, consider coming to Olympia to meet with your member, and testify on a bill important to you.
- Share CTE program data from your school/district, stories, and suggestions to improve the proposed policy from your prospective is important to legislators. *You are the expert for your program and the needs of your students so don't be anxious to share your story.*
- Follow-up with legislators/committees on a specific bill or issue.
- Provide input on bills not yet scheduled for hearings that are an issue area of interest or concern to you.
