

REPORT TO THE WA-ACTE EXECUTIVE BOARD

WACTA

Submitted By: Margaret Rice

Date Submitted: Jan. 27, 2024

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

Continue to build content for our members on our new website. Adding backend folders owned by WACTA Webmaster to ensure information is kept within the organization and not lost when new leaders take positions.

Finishing up planning for our Spring Conference at GWL. Focus of the conference is on connecting and collaborating with other Administrative Organizations throughout the State.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

Assisting the in the split and re-organization of the SE/SC area groups to reduce the size of the group and ensure these groups are represented with active leadership.

Actively working on the Fall and Spring 2025 Conferences.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

Overall Educational Budget crisis and the issue of direct charges that are depleting CTE enhanced funding. This is actively being researched and a solution is being worked on.

4. Other Comments/Suggestions:

5. Upcoming Meetings or Conferences:

Board meeting on Feb. 25 from 2-4PM at the GWL and a Business meeting on Feb. 27 (breakfast meeting) at the GWL.

Items Requested to Be Placed on Board Agenda for Discussion

(Only include items that require Board discussion or action. These will be placed on the Board meeting agenda at the discretion of the President.
