

**REPORT TO THE WA-ACTE EXECUTIVE BOARD**

**Past-Presidents Report**

**Submitted By:** Doug Merrill

**Date Submitted:** 1/5/22

**1. General Thoughts:**

Adjusting to the new normal of WA-ACTE activities. I love meeting with the Exec Board, I just want the board to benefit from what great thinkers and leaders they are. I'm saying I wish the board was able to collaborate in person on a regular basis. My New Years wish is that have that opportunity.

**2. Strategic Plan Activities:**

The calendar is firming up and PD, Awards, and Legislative committees are rolling or ready to roll. Awards meeting next on Jan 20.

"Leg", Wednesdays thru the Legislative session,  
PD for Summer Conference starts Jan 27 and continues thru the spring.

Be sure your section is well represented at each of the meetings

**3. Matters of Interest:**

Legislative concerns with the CTE pathway to graduation being watered down.

**4. Executive Committee Activities:**

The EC attended the National ACTE Vision Conference in December and used the time for in depth PD, creating new connections around the association, and a Celebration time as Shani Watkins receiving the National ACTE Director of the Year Award!
