#	RESPONSES	DATE
1	lack of motivational speakers	11/16/2019 7:34 AM
2	I have not been notified about speaker handouts	11/15/2019 5:31 AM
3	Some of the presentations felt more like a sales pitch than an informative session	11/15/2019 4:37 AM
4	The rooms are NOT my favorite....the beds are 'hammocked', and it is not a very professional environment. Also, having the conference end on a Friday before a holiday weekend made for really terrible return travel. :o(	11/15/2019 1:05 AM
5	first day lunch too long making day too long. I would prefer a speaker during lunch and ending by 4 at latest. I only have so much "room" in my head to process all the information.	11/14/2019 9:18 PM
6	Some of the OSPI staff were not prepared for the breakout sessions	11/14/2019 5:24 PM
7	I miss the business and marketing presentation and I was hoping to be repeated.	11/14/2019 3:25 AM
8	Nothing stands out as negative	11/13/2019 11:48 PM
9	None	11/13/2019 11:30 PM
10	I would like for it to be longer	11/13/2019 10:30 PM
11	a first year teacher i was sort of lost more help for first year teachers guidance	11/13/2019 9:05 PM
12	It would be nice to have some shorter sessions that repeat to make it easier to attend multiple sessions.	11/13/2019 4:38 PM
13	nothing	11/13/2019 3:31 PM
14	Workshops too long; 1 presenter was done in 20 minutes and read straight from notes; breaks between too long; some workshops have been repeats for a long time now; would rather go shorter on Thursday (past regular workday) and longer on Friday	11/13/2019 3:29 PM
15	Sessions led by ospi officials were, as usual, an utter waste of time. One notable session lasted 23 minutes with ten minutes of that teachers sharing when it became clear the presenter was clueless about the topic.	11/13/2019 2:08 PM
16	Not getting the agenda before the conference	11/13/2019 4:03 AM
17	The general session was a bit long and a lot of information at once. I wish we could have been more active in some of the sessions but this may have just been the ones I went to.	11/13/2019 3:21 AM
18	Nothing	11/13/2019 2:49 AM
19	Some breakout sessions didnt match description well	11/13/2019 1:47 AM
20	not enough rooms for conference	11/13/2019 1:34 AM
21	That Career Connected Learning expectations are so unknown and the new hires at OSPI are still learning the ropes and could not be of much assistance.	11/13/2019 12:54 AM
22	Nothing	11/13/2019 12:19 AM
23	Handouts for state changes to CTE pathways would have helped greatly.	11/13/2019 12:06 AM
24	I'd love to see more offerings that are aimed at and serve the smaller schools.	11/12/2019 11:43 PM
25	some titles didn't really reflect the presented content	11/12/2019 11:40 PM
26	nothing	11/12/2019 11:39 PM
27	Not enough clinics in the graphic arts area.	11/12/2019 11:26 PM
28	Nothing	11/12/2019 11:21 PM
29	Not enough variety in sessions for various CTE stakeholders.	11/12/2019 11:21 PM

30	Some of the presenters in the main hall had too small of font on their slides.	11/12/2019 9:58 PM
31	The length of day 1. Would like a shorter lunch and eliminate the 4 pm session.	11/12/2019 8:05 PM
32	nothing	11/12/2019 5:48 PM
33	Presentation style in many sessions was a bit dry,	11/12/2019 4:42 PM
34	nothing	11/11/2019 11:07 PM
35	Some were seemingly unprepared to present	11/11/2019 2:39 PM
36	Tech issues	11/11/2019 4:37 AM
37	The wifi at great wolf was not adequate on Thursday. It was actually extremely annoying not being able to access any wifi in the area	11/11/2019 3:46 AM
38	All topics and presentations were relevant to conference	11/10/2019 11:11 PM
39	Nothing, it was good	11/10/2019 8:38 AM
40	Nothing	11/10/2019 3:37 AM
41	Some of the presentations felt more like a sales pitch than an informative session	11/10/2019 12:40 AM
42	All sessions were entirely lecture based.	11/9/2019 10:13 PM
43	1st day parking but I rolled in a little late	11/9/2019 9:08 PM
44	Several presenters seemed to be delayed due to technical difficulties.	11/9/2019 7:42 PM
45	Long sessions not enough breaks	11/9/2019 6:03 AM
46	1. Screen time verses learning time: I was consistently embarrassed by many of my colleagues in any given session having their faces on their devises (cell phones and/or computers) rather than being active listeners and participants as well as demonstrating common courtesy to each speaker. I think many would be quick to communicate that their behavior would not be appropriate for the students in their own classrooms back home! Solution--set the norms about devices in advance of the conference and review them at the first mass gathering. 2. OPSI staff 'huddle': Chris may be their boss but their clients were in the rooms for a day and a half and most missed the opportunity to check out life back in the classrooms by sitting together most of the time, often with parallel screen time. Solution--encourage the OSPI staff to actively spread out in the rooms and initiate conversations with teachers. That would not only be good for them but those one-on-one conversation could be a huge blessing to those that they engage with: it would be a huge, 'Win-Win'.	11/9/2019 5:23 AM
47	The breakfast was good but would have like a different option on the second day.	11/9/2019 1:56 AM
48	Location should be at an adult venue. It works for parents who bring their kids.	11/9/2019 12:40 AM
49	not enough time to talk to the speakers	11/8/2019 11:42 PM
50	Great sessions at the same time. Could sessions run more than once?	11/8/2019 11:32 PM
51	Good conference!	11/8/2019 11:09 PM
52	I felt that there could have been more variety in the sessions offered.	11/8/2019 10:15 PM
53	I enjoyed all of my sessions	11/8/2019 9:58 PM
54	Breakfast needs more healthy options like oatmeal, vegetables, granola, yogurt.	11/8/2019 9:57 PM
55	Not enough pertinent middle school content	11/8/2019 9:55 PM
56	N/A	11/8/2019 9:00 PM
57	I might recommend more clearly identifying the target audience as I heard a couple teachers say they ended up in stuff more targeted to Directors. I personally did not experience this however so perhaps they didn't read course descriptions.	11/8/2019 8:39 PM
58	Nothing	11/8/2019 8:12 PM
59	Not a lot pretty good over all	11/8/2019 8:07 PM
60	Would love more designated networking/concept consolidation time	11/8/2019 8:02 PM
61	Need some collaborative time set aside during the first day	11/8/2019 7:48 PM

62	Not much basic knowledge for us newbies. We don't know what we don't know and some things went over my head	11/8/2019 7:45 PM
63	Breakfast needed to improve. Sometimes speakers talk too much than hand-ons experience or engagement.	11/8/2019 7:45 PM
64	One session was extremely disappointing: Career Connected Learning on Friday morning.	11/8/2019 7:44 PM
65	Too many presentations offered at the same time, but not enough sessions. Thursday morning felt like a wasted effort. I felt like the keynote and other large group business could have been cut down by 1/2, opening time for another round of presentations.	11/8/2019 7:44 PM
66	Single Sessions.	11/8/2019 7:44 PM
67	OSPI presenters who don't use best practices for "teaching," or who are clearly not prepared. Hate feeling like my time is wasted. This happened in 2 different sessions.	11/8/2019 7:43 PM
68	Lunch	11/8/2019 7:43 PM
69	Just one session I selected that seemed elementary/MS oriented and the presenter had a very narrow focus on just what she was doing and how great she thought it was. —my fault for selecting that option.	11/8/2019 7:43 PM
70	Food from hosting venue place always the same	11/8/2019 7:43 PM
71	Disappointed that FCS breakout session was cancelled	11/8/2019 7:43 PM
72	Nothing that I can think of at tis time.	11/8/2019 7:43 PM
73	Nothing really hit my interests as far as sessions.	11/8/2019 7:42 PM
74	The length of day 1	11/8/2019 7:41 PM
75	There was a LOT of unstructured time. Lunch Thursday was very long, breaks were too long for such a small space. Tightening down the schedule would have provided additional instructional opportunity.	11/8/2019 7:41 PM
76	Nothing.	11/8/2019 7:41 PM
77	Some presenters did not appear to be prepared	11/8/2019 7:41 PM
78	Some titles stated a topic but not really presented well	11/8/2019 7:40 PM
79	WIFI access	11/8/2019 7:40 PM
80	Nothing	11/8/2019 7:39 PM
81	Nothing	11/8/2019 7:39 PM
82	Nothing	11/8/2019 7:39 PM
83	I thought it was very good. No complaints.	11/8/2019 7:39 PM
84	Wifi issues, the screens if in the back are hard to read and typical tech issues	11/8/2019 7:39 PM
85	Nothing	11/8/2019 7:39 PM
86	Would love to see more content pertinent to CTE support staff.	11/8/2019 7:39 PM
87	—	11/8/2019 7:39 PM
88	A handout to what 1599 requires now.	11/8/2019 7:39 PM
89	Eliminate down time....lunch too long. Breaks are nice but we dont need 15 minutes. Could have squeaked in another time slot of workshops if structured just right.	11/8/2019 7:38 PM
90	It was good overall	11/8/2019 7:38 PM
91	Nothing.	11/8/2019 7:38 PM
92	Nothing	11/8/2019 7:38 PM

94	Not enough time	11/8/2019 7:38 PM
95	N/A	11/8/2019 7:38 PM

96	Some of the description of courses were not what I thought they would be.	11/8/2019 7:38 PM
97	Not the conference, but this survey is requiring my contact info for clock hours, but I don't need them. Want an option where I am not required to submit my info to submit my survey.	11/8/2019 7:38 PM
98	None	11/8/2019 7:38 PM
99	Variety of topics	11/8/2019 7:38 PM

110	Not enough programming	11/8/2019 7:36 PM
111	Nothing	11/8/2019 7:36 PM
112	I came to gain knowledge about pathways to graduation and I felt like info delivered was open ended or I already had the information.	11/8/2019 7:36 PM
113	Dual credit didnt seems accessible info for teachers	11/8/2019 7:36 PM
114	I wish there were some sessions directed towards middle school educators. It felt like most of the sessions were geared towards high school.	11/8/2019 7:36 PM
115	More admin offerings	11/8/2019 7:36 PM
116	All was nice.	11/8/2019 7:36 PM
117	Nothing	11/8/2019 7:36 PM
118	HS info has nothing to do with MS	11/8/2019 7:35 PM
119	More pop.	11/8/2019 7:35 PM
120	nothing I was great	11/8/2019 7:35 PM
121	A lot of assumptions that knowledge was already known - maybe at admin level but not necessarily teacher level, some sessions felt like they were trying to gather info from us vs departing info	11/8/2019 7:35 PM
122	Frankly, there were too few offerings and many of the available offerings were less than exceptional.	11/8/2019 7:35 PM
123	More teacher led breakouts. Student management, projects, etc. Collaboration	11/8/2019 7:34 PM
124	The lack of internet. I was told that it was because I was using a school,computer. however, I have used this same computer on multiple hotel internet, and public,internets. It made it to where I couldn't work during breaks and lunch.	11/8/2019 7:34 PM
125	I would like more clock hours personally	11/8/2019 7:34 PM
126	Would love to see more info that supports smaller rural schools. Maybe drop the cost a bit- $450 is a hit for a day and a half.	11/8/2019 7:34 PM
127	NA	11/8/2019 7:34 PM
128	Nothing	11/8/2019 7:33 PM
129	Timing; during fall conferences at our school	11/8/2019 7:33 PM

130	No organized networking time other than meet ups via whova app. Would like time/room to meet with professional org members (WITEA) tontalk about what is going on in our programs.	11/8/2019 7:32 PM
131	Could have been a bit longer	11/8/2019 7:32 PM
132	OSPI info was not as helpful as I had hoped. Not enough variety of sessions. Not enough vendors	11/8/2019 7:32 PM
133	Nothing	11/8/2019 7:31 PM
134	Seems rushed in between sessions	11/8/2019 7:31 PM
135	N/A	11/8/2019 7:31 PM
136	Always need more Art(s) representation/opportunities, or sessions I wanted to go to, but conflict with others	11/8/2019 7:31 PM
137	Only 1 or 2 Ag. Specific workshops. Very tech heavy, business, etc. Have more to offer to other clusters like Shop and Ag. that are more common in smaller schools. WA-CTE conferences are losing the small school attendance because the workshops seem to cater to CTE Admin. and large school districts with larger staff and budgets.	11/8/2019 7:31 PM
138	Nothing	11/8/2019 7:30 PM
139	N/A	11/8/2019 7:30 PM

148	I would like some sessions repeated more	11/8/2019 7:24 PM
149	Cost	11/8/2019 7:24 PM
150	I would have liked a little less down time. 1.5 hours at lunch on Thursday felt too long.	11/8/2019 7:24 PM
151	The cost is too high.	11/8/2019 7:24 PM
152	Some of the sessions had a lot of turn and talk activities. We come to these conference to get the details, sit and get is fine. The table talk component felt like some presenters just didn't have info and were faking their way through the presentation.	11/8/2019 7:23 PM
153	Hotel :(	11/8/2019 7:22 PM
154	No clear help or options to help create a pathway TO the high school when courses are established at the middle school level.	11/8/2019 7:22 PM
155	There was unuseful information in certain sessions, descriptions were deceptive and not what the topic was.	11/8/2019 7:22 PM
156	Thought it was great	11/8/2019 7:22 PM
157	I was looking forward to the IGNITE getting girls in stem presentation but it was really underwhelming. I could have googled the information they shared. I wish it was more engaging and wish they shared specifics and shown what girls said about it instead of being super vague and basically reading off what I could get from their website.	11/8/2019 7:22 PM
158	There was one block of sessions I had a hard time trying to find a session that I felt would benefit my program as a middle school CTE teacher.	11/8/2019 7:21 PM
159	Going until 5pm is too late	11/8/2019 7:21 PM
160	A lot of sit and get. Some presenters just read their slides.	11/8/2019 7:21 PM
161	Would like the opportunity for more clock hours. Long travel time, short conference.	11/8/2019 7:21 PM

162	The rules need to be presented to counselor and principals. I have very little to do with all the rules.	11/8/2019 7:21 PM
163	Na	11/8/2019 7:20 PM
164	More variety of workshops	11/8/2019 7:20 PM
165	Nope nothing	11/8/2019 7:20 PM
166	More offerings for CTE directors specifically and more Perkins assistance for those who couldn't attend the other help sessions for Perkins V.	11/8/2019 7:19 PM
167	Large group sound. Too loud at times.	11/8/2019 7:19 PM
168	Because it's smaller sometimes it's challenging to find a session that is relevant to what I need	11/8/2019 7:19 PM

38	There is a lot of work to be done in the coming year and beyond related to HB 1599, graduation pathways, programs of study, Career Connected Learning, Youth Apprenticeship, expansion of work based learning programs and more. I'm looking forward to hearing from school districts who are leading the way in each of these areas. I would also appreciate time when conference participants in like positions could network in a more structured way - for example, take one session and have all the CTE directors report to one room, all the Business & Marketing pathway folks to another, etc. and have a facilitator lead a discuss in which each school could share their progress to date on the above initiatives.	11/9/2019 7:42 PM
