

## REPORT TO THE WA-ACTE EXECUTIVE BOARD

# WACTA

**Submitted By:** Margaret Rice

**Date Submitted:** March 23, 2024

**1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):**

Continue to build content for our members on our new website. Adding backend folders owned by WACTA Webmaster to ensure information is kept within the organization and not lost when new leaders take positions.

Working on Summer conference breakout sessions and beginning to plan for our Fall Conference at Ilani.

**2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):**

Providing access to all conference session materials from Spring Conference in the membership portal of the website.

Actively working on the Fall 2024 and Spring 2025 Conferences.

**3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):**

Overall Educational Budget crisis continues to be a concern with a major part of that issue being direct charges that are depleting CTE enhanced funding.

**4. Other Comments/Suggestions:**

**5. Upcoming Meetings or Conferences:**

Hopefully our next board meeting will be on August 4 from 1-3PM in Spokane and the Business meeting right after from 3-4PM.

**Items Requested to Be Placed on Board Agenda for Discussion**

*(Only include items that require Board discussion or action. These will be placed on the Board meeting agenda at the discretion of the President.)*
