Working on new board member tasks and duties
New board members bios and pictures
Website updates
Working to make more newsletters

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

We think we need to figure out a way to reach more CTE teachers. It is noticeable that some CTE teachers do not know about the organization, their sections and summer conference. Which makes it harder for some boards to recruit new members. There needs to be some way to reach those teachers more.
