

## REPORT TO THE WA-ACTE EXECUTIVE BOARD

# Past President

**1. General Thoughts:**

- Legislative session is almost over for the year and professional development for our coming summer conference is now the priority.
- We are currently in negotiation with a keynote speaker for summer conference.
- Membership is holding steady and will most likely increase as summer conference registration begins.

**2. Strategic Plan Activities:**

- We are in the process of revising the sections in our organization. American Sign Language (ASL) would like to be their own separate section. The WA-ACTE board is meeting soon to vote on this request.

**3. Matters of Interest:**

- Region V Leadership Conference is in April. While two of the officer team will not be attending, we have a solid team representing Washington state.

**4. Executive Committee Activities:**

- Professional Development has begun in earnest. Planning now focuses on our annual summer conference in Spokane, WA. We have a great keynote in mind and have encouraged all sections to begin finalizing their section plans for presenters.
