1. General Thoughts:

I am hopeful that all CTE groups, no matter if administrative, teacher, support staff, from districts to Skill Centers, to CTSOs, no matter the size – we can accomplish so much more if we work together within WA-ACTE, to advocate for the best outcomes to best serve our shared students – all students, 7-12, in Washington State – **let's work together!**

We are in the final process of tuning our advocacy plans for this year.
