WE-BAM

Submitted By: Shawn Perez

Date Submitted: 1/18/24

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

Board Development: We have added a President Elect which will help with the transition moving forward. Also, we are going over our board policy/procedure to clean it up for a group moving forward.

Professional Development: Our team is meeting and creating an awesome summer conference list as well as planning for a Fall conference.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

Membership: How do we create a strong “reward system” in order for people to be members. We are cleaning up our resources on our website as some are outdated. Other ideas???

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

We need to stay on top of pathways, as many students will be completing their graduation pathway through CTE. Getting that word out will be to our advantage.

4. Other Comments/Suggestions:

5. Upcoming Meetings or Conferences:

DECA STATE/FBLA STATE are both coming up. All of our board are working hard with students.

Items Requested to Be Placed on Board Agenda for Discussion
