Please provide a brief narrative describing current activities and strategies in the following categories:

Member Recruitment and Retention

We have begun our recruitment process and are looking forward to our conference on Sept. 26 for increase in active members.

Advocacy

None to report

Issues

(Including legislative, leadership, partnerships, business and industry, and postsecondary)

Leadership: though we did replace some board members, we are still struggling to find others to step in. Both co-presidents are not in the classroom, so we need classroom teachers to step in and lead.

Marketing

We have hired an experienced person to help us with some of the detail work and marketing. She is very experienced and willing to jump in to help.

New and Innovative Ideas

We are onboarding with our new team on 9/25 and hope this will bring excitement.
