- **Keeping You Informed** – WA-ACTE keeps you informed about the dynamic field of Career and Technical Education through e-News Blasts and Updates.

## WHO WE ARE

- WA-ACTE is the largest state education association of CTE professionals dedicated to the advancement of education that prepares youth and adults for successful careers.
- WA-ACTE has members statewide that represent all areas of Career and Technical Education.
- WA-ACTE's headquarters is based in Olympia WA. Association policy is determined by a 10-member elected Executive Board, including a president, past president, president elect, and 7 representatives representing the association's 7 sections.
