Date Submitted: April 29, 2020

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

HSCTE Board Meeting on April 18, 2020. Strategic Plan updated and will be filled in by Board Members. Will finalize at Summer Conference. HSCTE Board selected Courtney Peart as New Teacher of the Year. She will advance to WA-ACTE. Marianna provided a zoom meeting for ALL Health Science teachers in the state. Current list which we will use to promote HSCTE for the future. Survey Monkey created for Health Science teachers to see what kind of PD they want to have for future conferences. We also discussed what workshops we could use for a virtual conference if needed. Two \$500.00 Scholarships were awarded to students interested in the healthcare field.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

Market to all health science teachers in the state to improve upon our membership numbers. Always looking for great PD for our membership. HSCTE Board members hope to go to the National Health Science Conference in the Fall for PD ideas and networking.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

Equivalency courses and PD for our members.

4. Other Comments/Suggestions:

None

5. Upcoming Meetings or Conferences:

HSCTE Board Meeting, Saturday, Aug. 1 and HSCTE General Membership Meeting, Tuesday, Aug. 4 at Summer Conference.
