1. General Thoughts:

The FAME Committee had its first meeting on 10/27/22 and then another on 11/17/22 – we have not met since do to other CTE related meetings. The visual make-up of Summer Conference attendees (and Fall WACTA), we noticed a lack of diversity in our in-person attendance.

2. Strategic Plan Activities:

To support DEI work, we are continuing our work with WACTA members on DEI learnings and moves within their CTE Department to bring more diversity to our WA-ACTE membership and leadership, with the end goal, of providing CTE programs that reach all students. The first step was a DEI session at Fall WACTA regarding CTE Leadership team formation, and an extended focus is planned at Spring WACTA. We plan to continue DEI work and learnings at future conferences.

3. Matters of Interest:

DEI of our organization and leadership and workforce in districts and buildings.

4. Executive Committee Activities:

Support DEI professional development at our conferences and in all networking.
