1. General Thoughts:
   a. The 2019 WA State Legislative Session will be important! Exec. Dir. Tim is beginning the process of coordinating the effort
      i. WA-ACTE has begun work on the 2019 Legislative Focus. We must continue our good work in the legislature and continue to monitor how funding is implemented in our school districts. The WA-ACTE Legislative Committee is working on strategies to address shortcomings in the CTE funding issues. This has proven difficult being that the impacts are varied from different school districts.
      ii. A main issue will be the use and implementation of the 2014 Leg. Funding Report
   b. We will continue to examine the WA-ACTE’s membership structure as well as the funding resources for WOVE. See below: Quality Association Improvement under Strategic Plan Activities.

2. Strategic Plan Activities:
   a. Advancement of Policy and Legislation
      i. Expand resources/funding for Leg/lobby work by Washington ACTE.
   b. Networking and Communication
      i. Update of WA-ACTE website complete! Fine tuning continues.
   c. Quality Association Improvement
      i. Review section membership in WA-ACTE
      ii. Review and discussion of WA-ACTE membership fee structure in conjunction with sections
      iii. Consideration of a modified “affiliated” membership fee structure and explore the benefits of affiliated membership that sections and members will see
      iv. I believe we should move toward all section members being a WA-ACTE member. It is a combined effort.

3. Matters of Interest:
   a. CTE Legislation and support for WOVE
   b. Review of membership structure
   c. Marketing and communication strategies and efforts for WA-ACTE
   d. Professional Development Opportunities
   e. Strategic Initiatives in CTE (national, state, local)
   f. Actively Recruiting Candidates for Office

4. Executive Committee Activities:
   a. Legislative Planning for 2019; GoTo Committee meetings
   b. WA-ACTE Officer GoTo meetings
   c. OSPI CTE Certification Committee Member meetings
   d. Evaluation review with Executive Director
REPORT TO THE WA-ACTE EXECUTIVE BOARD

WACTA

Submitted By: Kari Duffy

Date Submitted: 7/13/18

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

Incoming President, Wes Allen, held the board retreat a Semiahmoo Resort. The Program of Work was further developed and replacement of outgoing members noted. Jill Neyenhouse will be moving to an elementary Principal position in Ridgefield School District and will no longer represent the teacher preparation programs. Jodi Musser has accepted that position.

There is more focus on the WACTA conferences in an attempt to bring depth and more content to the conferences. Much was discussed regarding how best to facilitate OSPI’s sections so all members can attend the key sessions. The theme for fall conference is CTE: Connecting Students to their Future!

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

Concern remains about the change in FTE calculations and use of the regionalized mix factor for skill centers. Perkins reauthorization is also being carefully monitored. The negotiations for salary is also being watched carefully as this will have a big budgetary impact on programs.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

As we move into the throes of “Core 24” and what is being emphasized across the state, it is important to retain awareness of how well the “flexibility” that was created by the state board through personalized pathways is being communicated and perhaps find out just how it’s working in districts around the state. The decision that meeting the CTE Exploratory Standards didn’t include the actual content of the standards which has been the message from the State Board of Education. The FAQ clearly states that that “A non-CTE course, taught by a non-CTE certified teacher can meet the occupational education graduation requirement as long as it delivers the four outcomes of an exploratory CTE course.” This is not new; perhaps just more frustrating given the climate and mixed messages.
4. Other Comments/Suggestions:

None at this time -

5. Upcoming Meetings or Conferences:

Fall Conference – Oct 8 – 9 in Spokane at the Davenport Grand

- We’re preparing for the Fall BAM Conference that will be held on October 11-13 in Richland, WA.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

- There is a shortage of business and marketing teachers and finding qualified teacher candidates for future openings is going to be a challenge.
- Finding members to serve on the WSBEA board has been a challenge. There was no President-Elect candidate and as a result the presidential positions have been frozen.
- WSBEA is helping plan the WBEA 2021 conference that will be held in Washington.
