REPORT TO THE WA-ACTE EXECUTIVE BOARD

WA-ACTE President Elect

Submitted By: Lew Keliher

Date Submitted: 3/5/2019

1. General thoughts

   In case you don’t know, I love working with dedicated CTE people. Each time I go to a conference or meeting and hear comments or concerns they are always directed at how we can make things better for our students and for their future. This is what always inspires me and to that end. As you look to how you can best support your students, teachers and district I would ask that you consider running for the position of WA-ACTE President-Elect as I believe you would never regret the growth you could bring to this organization and to yourself as a person. Working with this group has brought me as a person and leader than I could have imagined. Please consider joining us on the Executive Board this coming summer.

2. Strategic Plan Activities:

   Our board and section leaders continue to bring you the best professional development in support of your program areas. As new things arise, we look to our own teachers as a great source of information and expertise, thank you for your willingness to share at our conferences and in your buildings. Tim is continuing the art of negotiating and advocacy with the groups on the hill and continually updates us as bills and discussions move forward.

   In my area of membership and awards we are working to strengthen everyone’s understanding of why we have been discussing and working toward unifying our sections. As a part of discussing unification I have been in contact with each sections awards person to assure each area has information and awards that will match with WA-ACTE, Region V and Nation ACTE awards. We are always looking to show off our best and most innovative people, but this can’t be done if we don’t have the ability to move them through the awards system. I believe by summer conference we will have all sections aligned and in a great position to showcase their winners.

3. Matters of Interest:

   If you have continued to read to this point, thank you for your dedication to my ramblings. And since you are still engaged please talk with your fellow staff members to help us understand what they need as professional development in the coming months and years. PD is a never-ending search for the best practices and ideas, but we need each of you to help us find the people to teach these sessions.
4. **Executive Committee Activities:**

We continue to meet and discuss our focus for WA-ACTE legislative asks and are working hard to get our summer conference information in your hands in a timely fashion. I am also excited to be able to join the WAAE board at their meeting in Wenatchee in March. This will be my second time visiting a WAAE event as my first was their summer conference a few years ago and it was awesome. If any of your sections would like a member of the executive board to attend your board meetings or conferences, please let us know and we’ll see if we can make that happen.
1) **Continuing General Thoughts and Questions:**
   a) How can we best provide professional development for our members in fulfilling our WA-ACTE Mission?
   b) We need to further explore WA-ACTE’s membership structure (see below under Strategic Plan Activities)
   c) How can we develop better and more funding resources for WOVE?

2) **Strategic Plan Activities:**
   a) Expanding resources/funding for Leg/lobby work by Washington ACTE.
   b) Membership structure

REPORT TO THE WA-ACTE EXECUTIVE BOARD

WACTA Section

Submitted By: Wes Allen
Date Submitted: 3/4/19

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

We have completed one executive board meeting were there was detailed conversation about the legislative ask for this year session and final information for the upcoming spring conference (in Olympia) and the focus on meeting with legislators while there. There was also work on the MOU with WA-ACTE for services and development of a presentation “in a box” for CTE Directors. We have also changed our March 19th meeting to a “go to meeting” format.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

Continuing to Try and address the inequities that were created (and impacting CTE) from the McCleary decision. Moving forward with the legislative ask of a cap of 5% indirect charging and a .6/.6 split for skill center/sending high schools that is based on head count and not minutes. With the change in hours (90 to 100) and the increase in direct charging and teacher salaries, keeping programs “in the black” has become difficult, and sometimes impossible, to accomplish.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

This continues to be funding of classes and assisting with maintaining the high standards that have been set for CTE in the state.

4. Other Comments/Suggestions:

N/A

5. Upcoming Meetings or Conferences:

Executive Board meeting at Sea-Tac on Nov. 6th, Jan. 8th 10am-3pm, Mar. 19th (now a go to meeting from 10am-12pm)

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):
   - Our big concern right now is the future of Plan 1, Business and Marketing Education pathways. At EWU, the program was absorbed into the Education department. We are unsure of what the future of that program looks like but are reaching out to them.

4. Other Comments/Suggestions:

Date Submitted: 03/20/2019

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

In an effort to provide professional development for our members and increase membership we planned and implemented a Spring Training on March 16th at Sno-Isle Skills Center in Everett, Washington. There were 36 people in attendance (3 from OSPI) with 10 excellent presentations. Six clock hours were provided. Evaluations were all very positive. We are considering offering this same type of conference again in the same location in March 2020.

We have also completed the summer conference session rubric with only one blank session. I am working with two different people to put together a session on High School and Beyond plans for our counselors. This session will be finalized soon.

Our WA-CCER Scholarship is in process and will be distributed to members asap. We are offering 3 - $500 scholarships this year.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

Critical issue is leadership for 2019-2020. I believe this training providing professional and personal opportunities for members to collaborate and get to know each other. I hope this will encourage others to step into leadership positions this summer.

We are also closely watching the PESB and their plans/processes for implementing certificate renewal in the area of Career Guidance.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

4. Other Comments/Suggestions:
We have purchased new shirts and flash drives for our members that attend summer conference in August 2019. We are financially sound and increasing WA-CCER membership.

I will personally send thanks to the new members who joined WA-CCER during our Spring Training and relay information about summer conference.

5. **Upcoming Meetings or Conferences:**

WA-CCER Board– “Go To” meeting will be scheduled for the end of March.

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

A5: Develop strategies for promotion of work based learning/career connected learning and apprenticeships
Developed preliminary plan to seek contacts with large organizations in an effort to solicit stakeholder information to help develop a current list of skills and values that an organization would seek in a potential employee. This list would help to guide current instruction and possibly develop a Certification in Soft Skills or HR.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

L1: Establish legislative focus
WA-FACSE Recently discussed creating a 5 year plan for our section around a central mission, with one of our aims to become more proactive rather than reactive with regard to our legislative focus.

Rebranding, or perhaps refocusing our efforts to align our pathways to follow realistic career options. Family and Consumer Science program focus areas are in alignment with Health and Human Services.
We discussed the possibility of exploring a name change to reflect that alignment with Health and Human Services.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

   HSCTE Website has been updated, more needs to be completed. We have established several guest speakers for Summer Conference and have sent out a “save the date” to our membership. We are also working with Cori Hansen, Center Director, from the Area Health Education Center for Western Washington on a Healthcare Conference at Bellingham Community College at the end of April. Might be a great partnership and a way to establish a Spring Conference for our members! A “save the date” flyer was sent out to HSCTE members for this conference. They would like to see 100 attendees.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

   Continuing low membership numbers for HSCTE. Hopeful that with great marketing for summer conference we will see an increase.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):
