

REPORT TO THE WA-ACTE EXECUTIVE BOARD

President

Submitted By: Nora Zollweg

Date Submitted: 10-18-21

1. General Thoughts:

It is important to note that we are starting this year with COVID precautions and protocols across the state. Teachers continue to have limitations on travel due to a shortage in subs and district travel restrictions. Zoom meetings are still a viable way to meet and seem to be manageable by the members.

I would like to see our section leadership feel like they are all integral in our association and valued for their contributions. We can discuss ways to do that as an executive board.

2. Strategic Plan Activities:

The following activities are being moved forward to review and discussion by the entire board.

1. Tech training for section leaders and room hosts
2. Possible topics for Quarterly PD
3. Use of promotional videos
4. Continue discussion regarding affiliating WA-ACTE with its individual sections

3. Matters of Interest:

- WA-ACTE Fall Conference (both in person and virtual) was cancelled due to low enrollment.

- Community organizations have requested membership in WA-ACTE as student leadership organizations. The executive board is working with OSPI to clearly define the requirements and expectations for membership.

4. Executive Committee Activities:

Legislative Meetings begin this month. Tim Knue has worked diligently to prepare committee members. This is a complicated topic and he does an amazing job of presenting it in a way that is easily understood. I'm looking forward to putting together our official "ask" and advocating for CTE across Washington State.
