

REPORT TO THE WA-ACTE EXECUTIVE BOARD

Prez-Elect Report

1. General Thoughts:

The FAME Committee has its first meeting on 10/27/22 – excited to meet this team. The visual make-up of Summer Conference attendees (and Fall WACTA), I noticed a lack of diversity in our in-person attendance.

2. Strategic Plan Activities:

To support DEI work, I plan to continue to work with WACTA members on DEI learnings and moves within their CTE Department in order to bring more diversity to our WA-ACTE membership and leadership, with the end goal, of providing CTE programs that reach all students. A first step was a DEI session at Fall WACTA regarding CTE Leadership team formation, and I plan to support my DEI team to continue to present sessions at all WA-ACTE and WACTA conferences.

3. Matters of Interest:

DEI of our organization and leadership and workforce in districts and buildings.

4. Executive Committee Activities:

Support DEI professional development at our conferences and in all networking.
