Washington ACTE Campaign Policies:

The following policies have been set forth to regulate campaigning procedures. These campaigning procedures apply to the candidate, any supporter of a candidate, and sections of

the Washington ACTE. The over arching purpose of this policy is to create equal access to members by candidates in seeking their vote for office, while not inundating members with campaign information.

1. Guidelines for Election of Officers

a. Permitted Campaign Activities

- i. Campaign material may only be distributed through free, electronic means such as email and social media.
- ii. Any candidate or supporter of a candidate (including section leadership) may speak personally to any other individual or group and ask for support in the election.
- iii. Candidates may ask supporters to write personal letters of support to other colleagues on their behalf. Such letters must be distributed by electronic means only.
- iv. Candidates are allowed to submit uniform emails to Washington ACTE for Washington ACTE to distribute to members through the Washington ACTE's established e-blast system. The e-blast will include both candidates' information available at the time.

b. Prohibited Campaign Activities

- i. Negative campaigning is not allowed by anyone covered by this policy.
- ii. The development of any printed material by candidates or their supporters is strictly forbidden.
- iii. Sales and promotional gimmicks or any giveaways, such as campaign buttons are forbidden.
- iv. Following the nomination for office (President Elect), candidates who are current positions of leadership within the Washington ACTE structure should not be provided with visibility opportunities (campaign opportunities) beyond those typical of their normal duties and activities.

c. Violations of Campaigning Prohibitions

- i. All complaints regarding possible violations of these campaign policies must be submitted to the WASHINGTON ACTE Executive Committee, via the President and/or Executive Director, in writing and signed by the person or group issuing the complaint.
- ii. The Executive Committee will notify the candidate charged with the violation that a complaint has been filed and give that individual the opportunity to respond.
- iii. The Executive Committee will follow up with individuals in and related to the complaint that compiled the information. The Executive Committee will make a determination regarding the violation after the ballots for the election have been counted, but prior to the certification of the election and the announcement of the winner.
- iv. If it is found that the campaigning prohibition was violated, the Executive Committee will determine if the candidate should be disqualified. If a winning candidate is disqualified, the individual with the second highest number of votes will be declared the winner of the election. If a losing candidate is disqualified, they will be informed, but no further action will be necessary.
- v. A candidate may be disqualified even if they were not personally involved in or aware of the campaign activities cited in an official complaint.
