

REPORT TO THE WA-ACTE EXECUTIVE BOARD

Section

Submitted By: Stacy Lischke

Date Submitted: July 22, 2024

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

The annual WAAE Conference was held this year in June 2024 and 300 agriculture teachers from across the state attended. There is a large range of both age and experience of our WAAE members as agriculture educators. Many of our teachers have come from the industry route and deserve mentorship in CTE classroom management and expectations. Membership in WA-ACTE and the upcoming conference was promoted to all WAAE members.

WAAE State Award Winners (June 2024) are encouraged to apply for the WA-ACTE Awards when the portal opens in November 2024. Previous award winners hosted an award-application workshop, to mentor teachers in submitting high-quality applications.

WAAE Board Rep- Josh Krieg was elected as the new board rep for WA- ACTE and will work with Stacy Lischke in the transition year and in planning the 2025 WA-ACTE Conference. Josh and Stacy will be attending the WA-ACTE Board Meeting in-person in August. We are excited to have Josh Krieg represent the voice of WAAE.
