1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

None. Finishing up website and history page.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):

What will Fall conference look like?

The WITEA is planning the spring conference or beginning to think about what it should look like. I would like to hear from Franciene what she thinks about planning a Hybrid/virtual conference. I feel that we have to do both in case we cannot meet in person. What does this mean for the conference center contract etc.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):

How do we support our members during this virtual online learning?

What will happen to CTE and CTE classes/Funding/Student FTE if 2020-2021 School year starts off or remains Virtual. I'm not looking forward if this way of instruction continues.

4. Other Comments/Suggestions:

5. Upcoming Meetings or Conferences:

Items Requested to Be Placed on Board Agenda for Discussion

(Only include items that require Board discussion or action. These will be placed on the Board meeting agenda at the discretion of the President.)

How are other sections supporting their members during this time or starting school virtual?
