Issues

(Including legislative, leadership, partnerships, business and industry, and postsecondary)

Legislative:

1. CTE Enhanced funds are only provided to districts with a PESB Certified CTE Director.
2. All CTE Enhanced funds are under the purview of the CTE Director. (Working on what this would look like or 'rules' around it)
3. All carry over funds each year to remain under the purview of the Certified CTE Director and allowed to be used for capital projects for the improvement of existing CTE labs/facilities and programs.

Postsecondary:

1. Adding CTE Director standards to all Administrative Cert/Degree Programs.

Partnerships:

1. Working on updating the MOU between WA-ACTE and WACTA.
2. Determining whether to continue hosting a Fall Conference or not (TBD after this year).

Marketing

Working on developing our new website. The focus is on building content.
