CTE Month Video Contest Deadline Approaching!
The deadline for NOCTI's 5th annual video contest, "Rock the NOCTI!" is nearing. CTE offers many exciting possibilities for students. Encourage your students to consider a submission! Deadline is 1/31/18. Get more details and watch last year's winners [here](#).

Showcase your CTE Month awareness
Help spread awareness in your communities on the importance of CTE for your students with fun and affordable products promoting CTE Month®. Choose from reflective zipper pulls, mood pens, pencils and bracelets, balloons and other merchandise to show off your support for CTE at career fairs, local community events or at your school. [Gear up for CTE Month](#).

FEBRUARY IS CTE MONTH
**In the News…**

**Comment: Funds set for tech education but partnerships needed**
The Daily Herald  
By Nick Harper and Tim Knue. Providing our high school students with a better variety of possible career paths and higher education opportunities is...

**Wash. teenager gets early start in flying**
Madeline Patterson of Sequim, Wash., took her first solo flight within weeks of turning 16, obtaining her student pilot's license shortly thereafter. She is a member of the Civil Air Patrol's Dungeness Composite Squadron and is pursuing her private pilot's license.  
*Sequim Gazette (Wash.)* (9/20)

**High school partners with Boeing on curriculum**
A high school in Washington state offers a Core Plus curriculum, which is focused on advanced manufacturing and is aligned with Boeing. The curriculum helps prepare students for an apprenticeship program with the aerospace company.  
*KIMA-TV (Yakima, Wash.)* (10/11)

**Students build, sell furniture**
High-school students in Washington state have turned a dying on-campus tree into furniture they plan to sell. Money raised through the sale, at an auction planned for Saturday, will go toward career-building scholarships and grants as well as higher education.  
*The Daily Herald (Everett, Wash.)* (11/13)

**Culinary students get expanded space at Wash. college**
Culinary students at Tod and Maxine McClaskey Culinary Institute in Washington state will be training in a new space unveiled this week. The space includes a bakery, where the public can watch students work.  
*The Columbian (Vancouver, Wash.)* (11/28)
