This year’s WA-ACTE Summer Conference, co-hosted by Washington ACTE and the Office of Superintendent of Public Instruction, will focus on the ongoing high-quality CTE initiatives that applies best practices, innovation, integration, and implementation of Career Connected Learning through CTE. **Presentations and sessions will focus on the twelve elements defining high-quality CTE as identified by ACTE’s High-Quality CTE initiative.** The purpose of Summer Conference is the same as in years past, “to improve learning for educators and students.” This is an interactive conference designed to engage individual educators, schools, and community members to implement quality CTE programs for student success.

Marine robotics captivates 6th-grade STEM students
A team of sixth-graders at Haller Middle School in Arlington, Wash., developed an underwater robot as part of an extracurricular science project and will compete with it at a regional meet this weekend. Teacher Roel Ubungen, who leads the school's Robotics Club, says the project taught the students engineering, technical and teamwork skills as they worked to solve real-world problems.

Wash. scholarship targets 2-year degrees
Washington state is launching a new scholarship aimed at helping students pursue two-year career and technical degrees. Provided through the Washington State Opportunity Scholarship program, the new scholarship seeks to help provide a robust pipeline of skilled workers in the state.

Olympia School District Spotlight on Success

2019 Summer Programs
What To Expect
Students take the lead as their team races to develop a world-changing idea and present it to potential investors at the end-of-summer Trade Show and Stockholders Presentation. Guided by a mentor from the professional sector, students work as a team, explore careers, experience university life and build a network with professionals and future leaders.

What You Get
• All students receive 2 College Credits
• Spend the week on a College Campus
• Network with Real Professionals and Business Leaders
• The Chance to Earn a Scholarship!
