**1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):**

WA-CCER held it's Spring Conference on April 25<sup>th</sup>. Attendance topped out at 31. This event was amazing. The number of positive emails and thank you's from attendees was overwhelming. The solid connections between our Battle Ground WBL members and their community employers is exemplary. This type of interactive conference model was also very well received from our members. This wasn't a "sit and get" model which they really appreciated.

WACCER also completed their summer conference survey monkey grid. The PD committee worked very hard to find new and innovative presenters. We are ready for summer conference and excited to hear from the keynote speaker.

**2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):**

**3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):**
