**WAME Section**

**Submitted By:** Sierra Larkin

**Date Submitted:** 2/22/2021

**1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):**

WAME and WSBEA have had members vote on the merging of both organizations. Both votes had 100% in favor of the merge. There is a transition team made up of both boards and will begin the process of creating a new organization and dissolving WAME and WSBEA.

**2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):**

Emerging issues are making sure we complete the necessary documentation to create a new organization and dissolve the old organizations. The new organization will hold its first meeting at WA-ACTE Summer Conference.

**3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):**

Concerns are the house bill 1660, as different districts and schools are interpreting the information differently. The other issue is where is the money going to come from to cover the low-income students? It also will be an issue for our CTSOs.
