

REPORT TO THE WA-ACTE EXECUTIVE BOARD

WE-BAM

Submitted By: Shawn Perez

Date Submitted: July 24, 2024

1. Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):

Our board has accomplished quite a bit. We went through our policy and procedures, reviewed, edited and voted on a new document. We strengthened our office positions. We also updated our logo and created merch to help members identify who is a part of WE-BAM.

2. Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (*for information purposes only*):

Getting new teachers to recognize the need to join WE-BAM. It seems incentives may be needed, but budget is tight. How do we increase the membership? We are planning on working with CTE directors, but we also need their buy in to encourage members.

3. Emerging Critical Issues/Concerns for the Field of Career and Technical Education (*for information purposes only*):

For many of us we have seen many budget cuts. Not only our peers have lost jobs, but PD is limited, resources are limited. What as a CTE from the state perspective can be done to help in this area?

4. Other Comments/Suggestions:

Open to suggestions on increasing membership.

5. Upcoming Meetings or Conferences:

We have a dynamic summer conference planned as well as Fall conference. The Fall conference is combined with DECA and FBLA as it was last year.
