1. **Accomplishments Since the Last Report (please identify the strategic plan goal/objective each activity seeks to achieve):**

We had a very successful conference with 100 attendees. The surveys told us it was very well received, and teachers got a lot out of it.

They would like another one next year.

Our PD people are already getting a jump start for summer conference.

2. **Emerging Critical Issues/Concerns for WA-ACTE and/or Your Section (for information purposes only):**

We are lacking in members and making a meaningful reason to join. Our new membership person is creating a marketing plan, and we are hoping to get that in place. Also, we have committees meeting to help create a stronger board after the merge.

3. **Emerging Critical Issues/Concerns for the Field of Career and Technical Education (for information purposes only):**

Only funding for PD and other issues

4. **Other Comments/Suggestions:**

None

5. Upcoming Meetings or Conferences:

Our committees are meeting this month and then we will have another board meeting the 1st week of Dec. Presidents committee for board development, membership committee, treasurer committee, pd committee.
