Today is the 18th and the budget is probably going to be released on February 24 making this the last chance to influence what items are included.

Wednesday the 19th is the deadline for all bills to be out of their house of origin, so House bills need to be out of the House and the Senate bills need to be out of the Senate. That's inclusive of all legislation except any bill that's necessary to implement the budget (NTIB); those are exempt from all deadlines. The opposite Chamber Policy Committee only has a little over a week following February 28 to get the bills through their chamber.

Please reach out to your Legislators who serve on the budget committee - Senators or Representatives. Locate your district here: https://app.leg.wa.gov/districtfinder/

Be sure and check out the upcoming hearing schedule and if you're coming to Olympia please feel free to reach out if we can help your efforts in any way.

WA-ACTE Legislative Strategic Plan’s three focus areas and related bills:

FOCUS: CTE RESOURCES (Funding):
- For the proposed improved language for CTE Resources we will be working on our new approach for next year's session.
- The following two bills make changes to the prototypical funding formula that, if passed, will significantly affect CTE funding at skill centers, high schools, and middle schools.
  - HB 2841 - Concerning skill center class sizes.
    - Not on any calendar at this time.
  - SB 6615 - Concerning staff funding for school districts.
    - Was heard in EL&K12 committee on 2/5 - chair stated it will not be moving this session.

FOCUS: THE VALUE OF CTE:
- HB 2128 - Establishing new reporting requirements for the delivery and improvement of Career and Technical Education.
  - February 7 - Passed unanimously from House K-12 committee to House Rules Committee.
  - Has not been pulled from Rules to the House Floor Calendar as of 2/18/20
    - If you would like to help move this along, please ask Rules committee to pull the bill to the floor before cutoff. Use the link to find emails.
      - http://leg.wa.gov/House/Committees/RUL/Pages/MembersStaff.aspx
- HB 2663 - Concerning maximum salaries for skill center certificated instructional staff training students to work in skill center identified high-demand fields, including as veterinary technicians, nursing or medical assistants, or cybersecurity specialists.
  - Not on any calendar at this time - likely dead for this session.
- SB 6374 - Concerning apprenticeship materials for dual credit scholarship programs.
  - February 7 - Passed to Rules Committee for second reading.
  - Placed on 2nd reading in Rules Committee on February 17 - yet to be pulled from Rules.
FOCUS: SUPPORT CTE STUDENT LEADERSHIP:

- **CTSO Funding Increase** for CTSO activity grant funds over time. Members have begun to submit budget request letters to the fiscal committees (Appropriations and Ways & Means) asking that increased funding be provided.

- If you would like to help with Senators and Representatives, please reach out and ask them to request and support an increase in funding for our 8 CTSOs.

Your ask is simple in an email:

**Dear (member),**

*Please add your support for a long overdue increase in state funding for the 8 Career and Technical Student Organizations (CTSOs) in the final supplemental budget, which has not been increased since the original funding in 2000.*
