**2020 Legislative Session | February 25, 2020**

WOVE...Representing the Career and Technical Education field through advocacy activities, which promotes the value of CTE and the policies that are needed to support CTE practitioners, advance the field, and improve student learning. Yesterday we saw the release of the State Supplemental Operating Budgets, which had initial hearings in the House and Senate budget committees. See supplemental budget [here](#).

In the short time we had to review this 504-page document, there is nothing groundbreaking that stood out that should cause any concern. Our state is operating with an anticipated revenue surplus. As expected, most of the increase in spending was targeted towards homelessness, mental health, childcare, and low-income housing supply. A few key K-12 take-aways also included:

- \$51 Million for Counselors in High Poverty Schools
- \$48 Million Backfill for Property-Poor Schools
- \$17 Million for Paraeducator Training
- \$1.2 Million for Homeless Student Support
- \$48 Million Additional Local Effort Assistant (LEA) Dollars
- \$1.3 Million for Early Learning Integration
- \$56 Million in Low-Income Childcare Support

### **WA-ACTE Legislative Strategic Plan's three focus areas and related bills:**

#### **FOCUS: CTE RESOURCES (Funding):**

- For the [proposed improved language for CTE Resources](#) we will be working on our new approach for next year's session.
- The following two bills make changes to the prototypical funding formula that, if passed, will significantly affect CTE funding at skill centers, high schools, and middle schools.
  - [HB 2841](#) - Concerning skill center class sizes.
    - Not on any calendar at this time.
  - [SB 6615](#) - Concerning staff funding for school districts.
    - Was heard in EL&K12 committee on 2/5 - chair stated it will not be moving this session.

#### **FOCUS: THE VALUE OF CTE:**

- [HB 2128](#) - Establishing new reporting requirements for the delivery and improvement of Career and Technical Education.
  - February 7 - Passed unanimously from House K-12 committee to House Rules Committee.
  - **Has not been pulled from Rules to the House Floor Calendar as of 2/25/20.**
    - **Did not clear house of origin deadlines for the first half of session.**

- [HB 2663](#) - Concerning maximum salaries for skill center certificated instructional staff training students to work in skill center identified high-demand fields, including as veterinary technicians, nursing or medical assistants, or cybersecurity specialists.
  - Not on any calendar at this time - **likely dead for this session.**
- [SB 6374](#) - Concerning apprenticeship materials for dual credit scholarship programs.
  - February 7 - Passed to Rules Committee for second reading.
  - Placed on 2<sup>nd</sup> reading in Rules Committee on February 17 - **No new action.**

**FOCUS: SUPPORT CTE STUDENT LEADERSHIP:**

- [CTSO Funding Increase](#) for CTSO activity grant funds over time. Members have begun to submit budget request letters to the fiscal committees (Appropriations and Ways & Means) asking that increased funding be provided.
  - **The funding increase was NOT included in the initial budget rollout on 2/24. Senator Rivers is offering an amendment in Senate Ways and Means committee on 2/25 to include the funding for this biennia and as an ongoing priority.**
  - **If you would like to advocate on behalf of this funding increase, legislators have the opportunity to include it in the budget up until final passage towards the end of session. These are thy key legislators involved in that decision-making process.**

**Always remember to advocate on your own time and only using your personal email.  
Never use work resources to assure you do not violate PDC laws as a public employee.**

- Review the week ahead committee meeting schedule below, focusing on bills that have been scheduled for public hearing that you have an interest in, then contact your legislators asking them to support bills that benefit CTE - especially if they serve on one of the committees where the bill has been assigned.
- Reach out with your perspective on the bill and share your story, consider contacting your member on a bill important to you, including bills not yet scheduled for hearings or on an issue, area of interest, or concern to you.
  1. Share CTE program data from your school/district, stories, and suggestions to improve the proposed policy from your prospective is important to legislators. *You are the expert for your program and the needs of your students so don't be anxious to share your story.*
