

## REPORT TO THE WA-ACTE EXECUTIVE BOARD

# WA-ACTE PAST PRESIDENT

**Submitted By:** Shani Watkins

### **1. General Thoughts:**

I had a meeting recently where they asked us to share two emotions we are feeling and after reading everyone else's responses, it was heartening to know I wasn't the only one that was feeling both happy and anxious at the same time. We are all going through challenging times, we are all having to do differently, think differently, and behave differently, but it's ok! Any of you that just need someone to talk to, I am here, I know how important connection is and if you are seeking some human connection, you can always contact me!

### **2. Strategic Plan Activities:**

Spending a lot of time learning about virtual conferencing and supporting WA-ACTE in whatever capacity I can.

### **3. Matters of Interest:**

Virtual conferencing, how do we do it, how do we support it, what does it look like.  
How do we support members in development of learning that is engaging and virtual/distance that encourages students to engage.

### **4. Executive Committee Activities:**

Weekly meeting attendance with the officers
