ProStart Curriculum and Skills Update – 8/8/2010

- Liked all presenters' information - relevant and interesting and fresh.
- We always like to cook, at these sessions not mandatory but it's part of what our course is all about - understand today's circumstances though.
- More information on curriculum as a 1st time ProStart teacher would be great.
- More time for COA explanation and web exam changes.
- Interesting - I really needed more curriculum help not computer, etc.
- Interesting presentations. Thank you for the variety of speaker, especially enjoyed the Chef, restaurant – critic and soap demos.
- If conference is off site, please provide maps and addresses.
- Hope to learn more about ProStart curriculum – why I came! Thanks or lunch.
