<ul style="list-style-type: none"> • Have more agriculture-related booths at vendor show, other than robotics. • We were struck by how nice people were in St. Louis! I liked the opportunity to setup a mobile agenda! I also really, really appreciated the chance to test through certiport for free! • Add more sessions to the marketing pathway. Very little to select from as a marketing teacher. • I enjoyed my experience at the ACTE Convention. I especially enjoyed the pre-conference session I attended on Embedding the Common Core Standards into CTE courses--more informative courses such as the above would be appreciated.
