**General Comments or suggestions for improving the conference:**

- Conference should have presenters do a 10-minute TED Talk like presentation. Tease the info we will see. Lose the keynotes.
- Good conference.
- Excellent conference. I brought back many ideas to use in my classroom and district!
- I enjoyed my time at the conference. The location was amazing and there was a good selection of sessions to go to. While I appreciated the large group speakers and their breakout sessions, I would have appreciated more sessions that directly related to being a CTE Director in a district. Overall, it was a well above average conference.
